

SJY-800B Penetration Strength Tester

SJY-1000B Penetration Strength Tester

Technical advantages >>>

- ◆ Light weight body design, more labor-saving detection.
- ◆ Innovative lever afterburner design, more convenient operation.
- ◆ Supplied with high-quality measuring nails.
- ◆ Improved pointer design, easy to adjust friction and more stable.

Technical parameters >>>

Penetration force	800±8N	1000±10N
Working stroke	20±0.10mm	20±0.10mm
Measuring nail length	40mm	40mm
Nail diameter	3.5mm	3.5mm
Gauge groove	39.5mm	39.5mm

Components >>>

- ① One Measuring nail Gauge
- ② Measuring nail (20nails)
- ③ One Tightening wrench
- ④ One Lever
- ⑤ A grinding stone
- ⑥ Aurilave
